We have the pleasure of announcing that we have in press, and shall publish about the first of December, a new work of fiction, entitled Rose Clark, cember, a new work of fletion, entitled Hose Clark,

number of copies of it we have sold, we judge that every
body in the United States has read it. As respects the
work we have now in press, Ross Clark, we can only
say that we regard it as, in every respect, a greater,
better work, and are confident it will not only sustain,
but even increase the reputation of its distinguished

It has never yet failed to cure Gramp Cholic in ten minutes; Diarrhora and Cholera-Morbus nearly as quick, and for Flux nothing. I think equals it.
